

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 4, 1996

SUBJECT: **HB 2331 - SB 2544**

This bill, if enacted, will require the county highway commission to notify affected landowners before designating a roadway or highway as a county road.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures\* to the extent that county highway commissions that have not been providing such notification begin to do so. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director

\*Article II, Section 24 of the Tennessee Constitution provides that: *no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
